August 23, 2018 – Salt Lake City and Millcreek, UT -- We here at Mountain West Commercial Real Estate (MW) are pleased to announce the opening of new Jo-Ann Fabric and Craft Store and DownEast flagship locations in Millcreek Center. The DownEast store will have 20,000 SF, and the Jo-Ann store will have 23,445 SF.

Family-owned DownEast representative Charlie Freedman tells us: “DownEast is really excited to bring our newest format Home & Clothing store to Millcreek. The shopping center sits on a very important corner for the neighborhood and will be beautifully built out with some great tenants. We look forward to being a part of it.”

MW broker’s Ben Brown and Kelly Shiotani along with Nick Clark and Katie Mikula with Cushman & Wakefield, represented the landlord on both of these lease transactions. Ben Brown also represented DownEast. Kelly adds: “From the combination of the amazing people of Millcreek and the surrounding locally owned businesses, we think they will be a great addition to the neighborhood.”

In addition, Java Jo’s soon will open a location in Millcreek Center for its coffee, smoothies and other beverages. MW’s Jeff Harrison represented this tenant.
